Enchanting Holiday Magic Awaits: The animated Santa's Workshop Display Featuring the Shillito's Elves

[Mariemont, Ohio, 11/1/2024] — The spirit of the holiday season comes alive like never before with the unveiling of an enchanting Christmas display that takes visitors on a captivating journey into the heart of Santa's Workshop. This immersive experience, proudly presented by the Mariemont Inn, brings together the beloved historic Shillito's Elves and the magic of Christmas to create a world of wonder and joy.

About the Display:

Visitors to this magical display will be transported into a realm of holiday enchantment, where they can witness the animated scenes of Santa's Workshop, including the historic Shillito's Elves busily crafting toys for children around the world. This unique holiday experience is very similar to the original walk-through SantaLand and blends newer technology with the timeless charm of Christmas traditions. This display is wheelchair accessible.

What to Expect:

- **Interactive Displays:** Step into a world of whimsy with 14 largely original animated scenes of Santa's Workshop, where nearly 60 of the nostalgic Shillito's Elves are hard at work, crafting toys with precision and care. The story begins with elves sorting out this season's letters to Santa in the mailroom and ends where Santa's sleigh is loaded with toys to deliver on Christmas Eve. A few new scene updates are planned for this season.
- **Relive your Childhood:** Native Cincinnatians may recognize the display from years ago, and for good reason. Its origin dates to the Shillito's Department Store display from 1979 and years following. At that time more than 130 animated figures were created from scratch by local talent to fill 10 interior scenes, 7 storefront windows, and more than 20 other merchandising windows throughout the store.
- **Photo Opportunities:** Capture unforgettable moments at specially designed photo spots throughout the display. Share your cherished memories with family and friends.
- **Express Mailbox to the North Pole:** Bring your letter to Santa and mail it in the elves' oversized mailbox. With special holiday magic, this enchanting mailbox can whisk all of its letters directly to Santa's mailroom where elves busily sort bags and bags of letters.
- **"Get Involved" Activities:** Start a scavenger hunt after visiting the elves by visiting other participating Mariemont businesses and redeem your completed card for a free gift as well as to be entered into a raffle at the end of the season. Or become an Elf Ambassador this season by bringing all of your family and friends. Visit our website for more information.
